Ted Cromleigh

Others present:

Bob Lynn – Township Engineer
Sean Weik – Public Works Superintendent
Justin LaTourette – Water Operator
Peg Fitzkee

The Budget Workshop was called to order at 6:00 by Chairman Fetter.

The Meeting was to discuss what could be included in a grant writing for \$30,000. to \$500,000.
The new grant would have 15% match for the township. The items discussed were based on need and merit.

The Board agreed to apply (write) the grant for the following items

Generators for the pump house and treatment plant
New ion unit for treatment plant
Painting the exterior surface of the water storage tank
Purchase and erecting a fence around the storage tank on Valley View Rd

These items should amount to the \$500,000. Limit.

It was also discussed about areas to be added to the system. 501 North from Oak Street to Locust Street and looped to Linda Sue Gardens. Also the 10 houses along S. 5th Avenue that are across from Juliada Heights.

The replacement of the asbestos cement pipe in Church Street was discussed and recommended that it be completed before the leak at the creek crossing.

At 7:30, Chairman Fetter made a motion to adjourn, which was seconded by Bruce Kramer. All were in favor, and the motion carried.
